

I am in the car for the most part of my day and I appreciate being able to listen to K-LOVE.

It provides positive and encouraging music and dj's that the whole family can listen to without having to worry about the context.

It would be a disservice to the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming.

I believe that the service provided by K-LOVE is in the public interest as people today need to hear uplifting and encouraging music.
